FOR IMMEDIATE RELEASE

TIME TO CELEBRATE - GLEN HILL TERRACE LONG-TERM CARE HOME SET TO OPEN

Whitby – After delays as a result of COVID, Durham Christian Homes will begin welcoming residents into the new 160-bed Glen Hill Terrace (Whitby) on May 1, 2021. Glen Hill Terrace is Durham Region's first completed long-term care redevelopment project. According to Ruth McFarlane, CEO of Durham Christian Homes, "we are working 24/7 to ensure nothing gets in the way of the opening. Our residents and community deserve this wonderful new, state-of-the-art home. The team is ecstatic and can't wait to showcase Glen Hill Terrace".

As part of a continuum-of-care linked to Providence Place and Tekoa Manor independent senior living, Durham's newest long-term care home has a lot to be proud of. From the heartwarming sounds of a "bubble wall" feature in the lobby, to the resident-friendly gardens and luxurious spa bathing rooms, there is just so much to take in.

Residents will be accommodated in one or two person rooms in five unique resident home areas. There are also five spacious dining and living room areas located throughout Glen Hill Terrace. Cooking, craft and activation rooms are situated in locations that make it easier for residents to participate in activities and events. Add in a wonderful hairdressing salon, beautiful chapel, unique tuck shop and special occasion private dining room, it is easy to feel that this is more than just a place to live. McFarlane added, "Glen Hill Terrace is our resident's home. We will do everything to accommodate their special needs and requests, keep them safe, and go above and beyond to deliver the absolute best care. That is our promise".
